Questions for Group:

1. How would you describe the weather in your state for the first and last day in today's search?
2. Which day, if any, would be the best traveling day? Why? Are there areas you might want to avoid?
3. With your group look at the weather pattern for the whole week. Does the weather seem to be moving in any particular direction?
4. What would you predict for the following day?

Name _____   **Name** _____
Name _____   **Name** _____
Name _____   **Name** _____
